A desert road from Vegas to nowhere

Somewhere better than where you've been
A coffee machine that needs some fixing
In a little café just around the bend
I am calling you, I know you hear me
I am calling you
A hot dry wind blowing right through me
Oh the baby's crying and I can't sleep
But we both know that a change is coming
Oh coming closer, such sweet release
And I am calling you, can you hear me
I am calling you
Ooooh, yeah
A desert road from Vegas to nowhere
Somewhere better than where you've been
But we both know that a change is coming
Coming closer around the bend
And I am calling you, don't you hear me
I am calling you
I, honey I'm calling, I'm calling I'm calling you
I know you hear me
I am calling you
